Travel Expenses

Unit costs of your travel expenses (see table above) will be covered by the organizers with the support of ERASMUS+ programme. In order to receive this money for transportation, please keep ALL original invoices, tickets, boarding-passes or any other transport document.

Below, there is a list with the budget with the travel costs (1 person) for each country for both APV and ESC:

Country	Max amount per person in Euro
	245
	245
	330
	330
	500

Very Important!!!!

Travel costs from home to the venue of the project and return. Please note: only cheapest means of transport/fares are subject to reimbursement. All amounts are expressed in Euros.

The above amount is 30 euro less than the official travel costs of ERASMUS+. The reason we deducted this 30 EUR is because in the travel cost we should calculate the transfer from the airport to the venue, which costs approximately 15 EUR each way. It is a private coach hire, and depends also on the arrival/departure time, waiting time in case of a delay etc

ALL ESC volunteers must travel from their home country to Cyprus. We cannot host people who come from a different country and not from their home country. Of course, you can flight from a different country, but your trip must start from your country. As an example, a person from Italy can go to Greece by bus or train and take a flight from Greece to Cyprus. But we also need the bus or train tickets which confirm that he starts he's journey from he's country.

Entry to the island

Larnaca airport is the nearest to the venue. Cyprus has a second airport situated in Paphos, however transportation between Paphos and the venue is more difficult.

Ercan is an airport in the Northern part of Cyprus, which is occupied by Turkey, and it is considered to be an illegal airport, not belonging to the Republic of Cyprus. Therefore, the European Union cannot cover travel expenses between any country and that airport. This is not our personal opinion, but a policy of Cyprus Republic that we have to respect. Therefore, we are asking you to book your flights with the cheapest flights from one of the 2 legal airports of Cyprus.

Cyprus Flight Bus

In order to fly to Cyprus you must register in **Cyprus Flight Pass** portal within **48 hours** before the commencement of your travel from the Country of Origin to the Republic of Cyprus (either direct flight or via intermediate Countries).
