FOURTH ONLINE MEETING

»»» FEBRUARY 5TH, 2025

On February 5th, STELLA project partners from Italy, Cyprus, Greece, Malta, and Portugal held an online meeting to assess project progress and streamline administrative procedures and internal communication. They reviewed advancements in best practices, toolkit development, and stakeholder interviews. Additionally, they discussed updates on the dissemination plan and website improvements. The partners committed to adhering to guidelines, maintaining archives of document versions, and sustaining a steady pace to achieve project objectives.

UPDATES & UPCOMING EVENT

- The training course will be held in Malta from March 9 to March 15, 2025, with each partner sending four youth workers to take part. The course aims to implement and test the tools developed by the partners, which integrate sports with environmental sustainability. This hands-on training will provide participants with practical experience in applying these tools, fostering collaboration, and enhancing their effectiveness in real-world scenarios.
